Regardless of your talent level, SCC's Golf Tournament will be a great event for networking and developing professional relationships. I feel that - in our industry - relationships are invaluable, and developing them doesn't support us only professionally, but personally as well.

Be a part of this great event! Enjoy a day with your clients, vendors and friends from the industry. There will be massage therapists on hand and a hydromassage table to serve all golfers - and we'll also be giving away tons of prizes, including a flat screen TV, fine dining gift certificates, spa treatments, and prizes that support local Southern California artists.
